- **Advance payment is required.** Registrations will **NOT** be confirmed until payment is received.
- If your payment is received after a workshop is closed, or if a workshop is canceled, you will be notified.
- In consideration of presenters and participants, **please arrive early enough to begin the workshop on time.** You will not receive full credit if you arrive more than 15 minutes after the workshop has begun.
- Training credit can only be issued for completed workshops. **If you choose to leave the workshop early, no credits can be issued.**
- To ensure a focused and engaging workshop for all, we kindly ask that children not attend the workshops. This allows all participants and our presenters to stay focused and engaged, without distractions. We appreciate your understanding and encourage you to make any necessary childcare arrangements in advance.
- If you register for **FREE** workshops, **please plan to attend** or cancel at least 2 days prior. This will prevent us from making extra copies of handouts and certificates and allow people on waiting lists to attend.
- If you cannot attend a pre-paid workshop, please call us to have your fee applied to another workshop of your choice. **You must call and cancel your attendance within two days of the training. Refunds will not be issued.**
- An additional fee may be required to earn **CEU** credit for approved workshops. Please see the workshop description for CEU information.

Children & Youth Partnership for Dare County Training Descriptions

ITS-SIDS - Infant/Toddler Safe Sleep & SIDS Risk Reduction in Child Care training.

Learn how to provide a safe sleep environment for infants in a childcare setting. Training is required every three years and within two months of hire for staff and volunteers, and family childcare homes providers licensed to care for infants.

Supporting Developmental Monitoring and Screening in Early Care and Education Settings

We know that developmental monitoring and screening in early childhood early care and education settings is critical to identifying children at risk for developmental delays. What is less known is how programs use developmental monitoring and screening tools and ways caregivers talk with families about their children's growth and development. This training will help participants understand the differences in developmental monitoring and screening and why they are so important to children and families. Participants will learn how they can track and celebrate children's milestones and strategies for collaborating with families on supporting children's healthy growth. You can play an essential role in our state's early intervention efforts!

Pyramid Preschool Model Series Module 1- Nurturing and Responsive Relationships*

Establishing nurturing and responsive relationships within a caring community is the foundation of the Pyramid Model. This training focuses on practices for building relationships with children, promoting relationships between children, relationships with families that affirm family culture and identity, and relationships with team members. Participants will receive resources they can use in their classroom.

Pyramid Preschool Model Series Module 2- Creating Classroom Environments that Reduce Challenging Behaviors*

This training is from Pyramid Preschool Model. It focuses on practices for establishing high-quality supportive classroom environments that promote social-emotional skill development and prevent challenging behavior. Participants will receive materials they can implement that support classroom schedules, routines, transitions, and promoting expectations and rules.

Pyramid Preschool Model Series Module 3 Promoting Emotional Literacy and Friendship Skills in Preschoolers*

This training is from Pyramid Preschool Model. Promoting social-emotional development is core to the Pyramid Model. This module provides training on the practices for teaching friendship skills, emotional literacy, self-regulation, and problem-solving. Participants will receive materials they can implement in their classroom.

Emergency Preparedness and Response in Child Care Training

Emergency preparedness and response (EPR) rules went into effect July 1, 2015. The rules and training are designed to assist licensed child care programs to be adequately prepared to respond to the needs of children and others in the event of disasters and emergencies. Participants will learn about the rules and the required emergency preparedness and response plan. **Additional EPR training may be scheduled in Dare County as needed, upon request. Please contact Jennifer Bradshaw Garrett to schedule, jbradshaw@darekids.org , 252-441-0614, line 8.**

*** Participants are encouraged to attend all 3 modules of the Pyramid Preschool Model Series.**
